

CM BIOMASS PARTNERS AS

Commitment Statement

Hereby CM Biomass Partners A/S is proud to confirm its commitment to comply with the Green Gold Label Program Principle and Criteria.

We shall ensure that we have necessary resources to implement and maintain GGL Chain of Custody Procedures.

At any given moment of our operation we shall ensure that all involved staff shall demonstrate full awareness of the relevant GGL procedures and competence in implementing the GGL requirements.

We will perform Internal audits regularly and at least on an annual basis to ensure the solid and reliable GGL management system is in place to cover all applicable GGL requirements.

The accurate implementation of appropriate GGL procedures shall be mandatorily reviewed by the Top Management Representative. Should there be any unsatisfactory findings, they will be addressed and resolved without delay.
