

CM BIOMASS

GROWING TOGETHER

Commitment Statement

on adherence to SBP and EU RED requirements

CM Biomass management hereby formally reaffirms its unwavering commitment to the full implementation and strict compliance with all requirements set forth under the Sustainable Biomass Program (SBP) and the Renewable Energy Directive (EU RED) in all applicable aspects of our business worldwide.

We are dedicated to adhering to these standards and implementing all relevant elements, including the chain of custody system and mass balance requirements, to ensure strict alignment and maintaining the highest levels of compliance and operational integrity.

This Commitment is applied consistently across our business and is relevant for:

- CM Biomass Partners A/S
- CM Bio Operating, LLC
- Crossville Pellets, LLC
- Jackson Pellets, LLC
- Jasper TN Pellets, LLC
- Quitman Pellets, LLC
- Brookhaven Pellets, LLC
