

CM BIOMASS

GROWING TOGETHER

Commitment Statement

on adherence to SBP, EU RED and EUDR requirements

CM Biomass management hereby formally reaffirms its unwavering commitment to the full implementation and strict compliance with all requirements set forth under the Sustainable Biomass Program (SBP), the Renewable Energy Directive (EU RED) and the EU Deforestation Regulation (EUDR) across all applicable aspects of our business worldwide.

We are dedicated to adhering to these standards and implementing all relevant elements, including traceability, chain of custody system and mass balance requirements, to ensure strict alignment and maintaining the highest levels of compliance and operational integrity.

In accordance with the EUDR, CM Biomass will maintain documented due diligence framework covering legality verification, sourcing free of deforestation or forest degradation. CM Biomass implements geolocation-based traceability, supported by risk assessment, mitigation and evidence-sharing protocols.

This Commitment is applicable for all our business activities and is relevant for the following legal entities:

- CM Biomass Partners A/S
- CM Bio Operating, LLC
- Crossville Pellets, LLC
- Jackson Pellets, LLC
- Jasper TN Pellets, LLC
- Quitman Pellets, LLC
- Brookhaven Pellets, LLC
